

BOBBLY HEADS

A professionally styled photographic studio is assembled at your event and your guest's picture is taken. Using our unique, bespoke developed software, the face of your is printed by our Dye Sub, photo quality printer which is then cut out using a specialist electronic cutter and mounted onto one of our 22 characters with a bobbly spring. The head is cleverly oversized ensuring the finished caricature is guaranteed to not only make the guest smile, but the whole process creates a fun atmosphere for the your event. #BOBBLYHEADS

PICFLIPS

This fantastic new service creates flip books and is the newest craze in customized party giveaways. We setup a modern studio at your event and invite guests to step behind the camera and make a short video clip. Within 90 seconds we turn the video clip into a personalised flipbook that guests take away with them immediately. We can produce up to **60** flip books per hour and can brand flipbook covers or put your guests in any situation you can imagine using our new Green Screen Technology. #PICFLIPS

DANCE HEADS

This is a new captivating and innovative party entertainment service that appeals to guests of all ages. Not just lip-synching, not just karaoke, **DANCE HEADS** uses "green screen" technology to superimpose guests' heads onto professional dancers' bodies while they bop along to some of the greatest pop hits of our time. Monitors allow the other guests to see every performance. Each guest receives a DVD of their performance and we can produce up to 50 DVD's per hour. Dance Heads is **hilarious and guaranteed** to be a fantastic hit at any event. #TTDANCEHEADS

DH BOOTH

A combination of a mobile photo booth and the now legendary Dance Heads events system, the Event Booth is the latest technology from the Dance Heads family that allows guests to record their favorite songs from the privacy of a booth. The booth produces 40 DVDs per hour and is perfect for events that have limited floor space but still allows guests all the fun associated with Dance Heads. #TTDANCEHEADS

GET FLIPPED

Get Flipped is 'Green Screen' photographic entertainment for events. A professional photography studio is set up and we invite your guests to step in front of the screen. Two poses are photographed, processed through our proprietary software and seamlessly blended together. The combined image is printed and a special lens is added. When the completed photo card is tilted up and down, it switches between the two images as if by magic. #GETFLIPPED

INSTANT IMAGING

Now you can offer your guests the opportunity to make their dreams come true. Using the latest computer technology we take a picture of your guests face and morph it onto somebody else's body. We have more than 400 images for you to choose from including pop stars, celebrities, sporting legends and actors.

Your guests will have a choice to have their image printed on a T-Shirt, mouse mat, cloth tote bag, key ring or a glossy 5"x7" photograph and will receive it within minutes of the photo being taken. #INSTANTIMAGING

VIDEO PHOTOBOOTH

Our new **Video Photo Booth** is guaranteed to be a hit at any event. Step inside, pull the curtain and our HD camera will start rolling. Your guests will be invited to leave a short message to the host before snapping four high quality digital photos. We then print a copy of the photos for every person in the booth and another copy will be placed into a guest book for guests to sign and leave a message. After the event the host will receive a portable hard drive containing all the video messages. We supply an experience operator to help guests throughout the event. #TTVIDEOPB
